CAMCORP

Aerovent

- **Air Filtration Systems**

- Commercial and Industrial Air Filters

- **Air Pollution Control Equipment**

- Biofiltration Odor Control Systems

- Dust Collectors - Wet & Dry

- (Fabric, Cartridge & Centrifugal)

- Electrostatic Precipitators

- Emissions Monitoring Systems

- Gas Detection and Alarm Systems

- Gas Phase Scrubbers, Packed Towers

- Spark Detection/Suppression Systems

- Vacuum Systems - Industrial

- Vehicle Exhaust Systems

- Weld Fume Removal Systems

- **Air Moving / Handling Systems**

- Air Handling Units

- Air Rotation Units

- Fans - Steel, Aluminum, FRP, Alloys

- Duct & Hoods in Steel, Stainless Steel, FRP

- Make-Up Air Units - Gas Fired, Steam

- Pressure Blowers

- **Fluid Recycling and Filtration Systems**

- Coolant Recycling Systems

- Ultrafiltration Systems

- Vacuum Bed Filters

- Chip Handling Systems

- Fluid Evaporators

- **Heating & Cooling Equipment**

- Electric Duct Coils

- Electric Unit Heaters

- Explosion Proof, Wash Down Duty

- Heat Recovery Systems

- Hydronic Radiators and Convectors

- Coils-DX, Hot Water and Steam

- **Humidity Control Systems**

- Humidifiers - Electrode Steam, LiveSteam,

- Gas Fired, Atomizing and Nozzle Systems

- Dehumidifiers/Dehumidifying MUA Units

- Pool Dehumidification/Heating Systems

- Desiccant Dehumidifying Systems

- **Material Handling Equipment**

- Rotary Air Locks / Dump Valves

- Industrial Vacuum Systems

- Pneumatic Conveying Systems

- **Process Heat Recovery Systems**

- High Temperature Air to Air Heat

- Recovery; Energy Recovery from

- Particulate and Fume-Laden Air Streams

- **Custom / Turnkey Systems**

- Dust Collection Systems

- Pathogen Isolation Systems
